

Dear Parents and Guardians:

Summer is almost here! Once again it is time to think about your child attending the Elba Youth Recreation Program. This year, the program will begin on Wednesday, July 5th and will end Friday, August 4th. Elba Park Rec welcomes all children who have completed Kindergarten through 6th grade and will be held at the Elba park daily from 9am - 3pm. All staff at the park will have undergone CPR and first aid training to ensure a safe summer.

What to bring to the park:

- Money the day before field trip days
- Packed lunch with extra water for park days
- Please be mindful of sending electronics to park rec.

Please be sure to have your child bring their registration slip the first morning at the park. Please save this packet and calendar for future reference.

Please read through the attached information and program policies. Your signature on this registration slip indicates your acknowledgement of disciplinary and other program policies.

If you have any questions or concerns please contact the Elba Village office at 585-757-6889

Looking forward to a great summer!!!!

Sincerely,

Bobby Skrzypek

Recreation Director

Park Program Information and Policies

Times and Locations

The recreation program will normally run from 9:00am until 3:00pm at the Village Park. Recreation staff and children will be staying at the park for lunch; we do not leave for a lunch break. **However, because of various activities and availability of facilities, the times for departing and returning for field trips may vary.** Please be sure to check the attached calendar for specific times.

Activities

Days at the park will generally consist of recreational activities along with various arts and crafts. We have also invited some special guests to the park.

Once your child arrives at the park, he or she is not allowed to leave unless written permission is given directly to the park director.

In case of rain cancellations, there will be a sign at the park in the morning if necessary.

Permission Slips

Permission slips for the entire summer will be passed out on the first day of Rec, Monday July 5th. Extra permission slips will be available in advance throughout the summer. Please check each permission slip for special instructions (money required, times and lunch information)

We can only take one bus which limits us to the first 50 children who return a permission slip and trip payment; so please be sure to turn these in the day before the trip.

Lunch/Snacks

Please send your child with a lunch, snack and refillable water bottle each day to the park. Coolers will be available. If you would like your child to walk home for lunch or be picked up, please provide a signed note for them to be dismissed.

All trips will depart and return at the village park. Please check the attached calendar that provides all activities and times. The field trips include the bus departure and arrival times from the park. Please have your child at the park at least five minutes prior to the scheduled departure time and have your child picked up promptly upon arrival. If students are repeatedly picked up late, they will no longer be allowed to participate in the program.

****Medication****

Please keep in mind that park recreation staff will not hold on to or give medication to a child attending the program. If your child takes medication during park rec hours, a parent or guardian will need to make arrangements accordingly. No exceptions will be made.

Field Trip Payment

Field trip payment along with field trip permission slips are due the day before the trip. Staff will not be able to give change, so please be sure to pay with exact change. Only cash payments will be accepted.

Staff will not be responsible for holding children's spending money. Any extra money you wish to give your child will be the child's responsibility.

Important Information

The Elba Summer Recreation program expects program participants to always exhibit appropriate behavior. Respect yourself and others as well as all playground, sports and craft equipment. To ensure the safety of all children, they will be expected to remain at the park or with Summer Rec staff from the time they arrive until they are dismissed. Children will only be released to persons on their authorized pick-up list. The only exception will be for those children who have permission to walk or ride a bike to and from the park.

As a parent or legal guardian, you are entrusting the Summer Rec staff with the safety and care of your children, therefore, you must notify the Rec director of any medical condition, disability or other situation that may need special consideration from the staff. We will respect your confidentiality and will make every effort to accommodate your situation.

Elba Summer Recreation Disciplinary Policy

1st Violation - Warning

2nd Violation - Time out

3rd Violation - Cannot attend the program the following day

4th Violation - Cannot attend the program for the entire week

*Should your child ever get to a 3rd violation, you will be notified of the problem.
